

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, 1-844-380-4554. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$1,875 person/\$2,700 family - *Preferred Network (EHN) and WFM Medical Clinic. \$3,750 person/\$4,250 family - *Expanded Network (Aetna) \$7,500 person/\$8,500 family <a href="#">Out-of-Network Providers</a> *In-network <a href="#">deductibles cross-apply</a>	Generally, you must pay all of the costs from providers up to the individual <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay benefits. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> is covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No, there are no other <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this <a href="#">plan</a> covers.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	\$3,325 person/\$6,650 family – *Preferred Network (EHN) and WFM Medical Clinic. \$6,650 person/\$13,300 family- *Expanded Network (Aetna) \$13,300 person/\$26,200 family - <a href="#">Out-of-Network Providers</a> *In-network <a href="#">out-of-pocket limits</a> cross-apply	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges, health care this <a href="#">plan</a> doesn't cover, and penalties for failure to obtain <a href="#">preauthorization</a> for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. Preferred Network: <a href="http://www.employershealthnetwork.com">www.employershealthnetwork.com</a> Expanded Network: <a href="http://www.aetna.com/asa">www.aetna.com/asa</a> or call 1-844-380-4554 for assistance with <a href="#">network providers</a> .	You pay the least if you use a <a href="#">provider</a> at the WFM Medical Clinic. You pay more if you use a Preferred or Expanded Network <a href="#">provider</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> . You may receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your plan pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
